

RÖSHULTS CAREER

Quality Manager

Welcome to the World of Röshults

Röshults Svenska Hantverk AB is the category leader of premium outdoor kitchens and furniture. We combine the most exclusive materials with design perfection and flawless craftsmanship. Röshults creates the perfect balance between style, contemporary elegance, and perfect comfort through one truly exclusive collection. Be part of Röshults to provide the most exclusive outdoor design and garden art in the world.

Quality Manager to Our Great Team

You will enter a new world where every material and detail is carefully selected to create the highest quality imaginable. We believe You focus on the details giving our brand and customers the best experience and reputation.

You are able to work independently, walk the extra mile, and pursue solutions all the way.

You will operate and develop the quality process. You will also be part of the Development Team controlling our certifications and regulations, merit is great knowledge from UL/CSA/AGA. You will work close to partners and factories in all tiers of the supply chain all around the world, performing operating activities, improvements, and projects. You will develop the environment and sustainability process as well as health and safety issues related to our products.

We value your personality and enthusiasm.
